Family/Household means a group of people who may or may not be related and who do not live in an institution or a boarding house, but who are living as one economic group. Students who are temporarily away at school should be counted as members of the family; however, students who are full-time residents of an institution are considered a family of one.

Gross Income means income before deductions for income taxes, employee's social security taxes, insurance premiums, charitable contributions, bonds, etc. It includes the following:

1. Monetary compensation for services, including wages, salary, commissions, or fees;
2. Net income from non-farm self-employment;
3. Net income from farm self-employment;
4. Social security;
5. Dividends or interest on savings or bonds or income from estates or trusts;
6. Net rental income;
7. Public assistance or welfare payments;
8. Unemployment compensation;
9. Government civilian employee or military retirement, or pensions, or veterans payments;
10. Private pensions or annuities;
11. Alimony or child support payments;
12. Regular contributions from persons not living in the household;
13. Net royalties; and
14. Other cash income. Other cash income would include cash amounts received or withdrawn from any source including savings, investments, trust accounts, and other resources which would be available to pay the price of a child's meal.

Income does not include any income or benefits received under any Federal program, which are excluded from consideration as income by any legislative prohibition.

In a household where there is income from wages and self-employment and the self-employment reflects a negative net income, consider that income as zero so as not to offset the wages earned.

In applying guidelines, the family's current rate of income should be used in determining eligibility.

Current Income is defined as income received during the month prior to application if such income is representative. Where the prior month's income was much higher or lower than usual, expected income for this year (12 months starting from the prior month) may be used; for example, self-employed people, farmers, and migrant workers.
 (Information follows on the reverse side.)

Foster Children whose care and placement is the responsibility of the State, or who is placed by a court with a caretaker household, is categorically eligible for free meals and may be certified without an application. Whether placed by the State child welfare agency or a court, in order for a child to be considered categorically eligible for free meals, the State must retain legal custody of the child. Households with foster and non-foster children may choose to include the foster child as a household member, as well as any personal income earned by the foster child on the same household application that includes the non- foster children. Foster children on the DC list are free eligible. Foster children cannot extend eligibility to household members.

Institutionalized Children are considered a one-member family and only monies the child actually receives and controls shall be considered as income for determining eligibility.

Adopted Children for whom a household has accepted legal responsibility is considered to be a member of that household. If the adoption is a "subsidized" adoption, which may include children with special needs, the subsidy is included in the total household income.

Because some adopted children were first placed in families as foster children, parents may not be aware that, once the child is adopted, he/she must be determined eligible based on the economic unit and all income available to that household, including any adoption assistance, is counted when making eligibility determination.

Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and haven't been told your children will get free meals, please call or e-mail [school, homeless liaison or migrant coordinator].

3. DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD? No. *Use one Free and Reduced Price School Meals Application for all students in your household.* We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to: **BONCL R-X School District, 23526 Pike 9247, Louisiana, MO 63353, 573-754-5412.**

4. SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE ALREADY APPROVED FOR FREE MEALS? No, but please read the letter you got carefully and follow the instructions. If any children in your household were missing from your eligibility notification, contact **BONCL R-X School District, 23526 Pike 9247, Louisiana, MO 63353, 573-754-5412** immediately.

5. MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT A NEW ONE? Yes. Your child's application is only good for that school year and for the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.

6. I GET WIC. CAN MY CHILDREN GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced price meals. Please send in an application.

7. WILL THE INFORMATION I GIVE BE CHECKED? Yes. We may also ask you to send written proof of the household income you report.

10. MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN? Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced price meals.

11. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

12. WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT? Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.

13. WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, or receive Family Subsistence Supplemental Allowance payments, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.

HOW TO APPLY FOR FREE AND REDUCED PRICE SCHOOL MEALS

Please use these instructions to help you fill out the application for free or reduced price school meals. You only need to submit one application per household, even if your children attend more than one school in BONCL R-X School District. The application must be filled out completely to determine the eligibility your child(ren) for free or reduced price school meals. Please follow these instructions in order! Each step of the instructions is the same as the steps on your application. If at any time you are not sure what to do next, please contact BONCL R-X School District, 23526 Pike 9247, Louisiana, MO 63353, 573-754-5412.

PLEASE USE A PEN (NOT A PENCIL) WHEN FILLING OUT THE APPLICATION AND DO YOUR BEST TO PRINT CLEARLY.

STEP 1: LIST ALL CHILDREN, INFANTS, AND STUDENTS UP TO AND INCLUDING GRADE 12

Tell us how many infants/toddlers, children not in school, and elementary/middle/high school students live in your household. They do NOT have to be related to you to be a part of your household. Who should I list here? When filling out this section, please include ALL members in your household who are:

- Children age 18 or under AND are supported with the household's income;
- In your care under a formal foster arrangement through a court or state/local agency, or qualify as homeless, migrant, or runaway youth;
- Students attending BONCL R-X School, regardless of age.

A) List each child's name. Print each child's name. Use one line of the application for each child. When printing names, write one letter in each box. Stop if you run out of space. If there are more children present than lines on the application, attach a second piece of paper (or a second application if completing electronically) with all required information for the additional children. This also applies to adults in Step 3. "MI" is short for middle initial. Print the first letter of each child's middle name in the box.	B) Building name/Grade. If child is a student, list building name and grade.	C) Do you have any foster children? If any children listed are foster children, mark the "Foster Child" box next to the child's name. If you are ONLY applying for foster children, after finishing STEP 1, go to STEP 4. Foster children who live with you may count as members of your household and should be listed on your application. If you are applying for both foster and non-foster children, go to step 3. Note: Adopted children are not considered foster children. A foster child is a minor child who has been taken into state custody and placed with a state-licensed adult, who cares for the child in place of their parent or guardian.	D) Are any children homeless, migrant, or runaway? If you believe any child listed in this section meets this description, mark the "Homeless, Migrant, Runaway" box next to the child's name and complete all steps of the application. Homeless, Migrant, Runaway status must be confirmed with the appropriate program staff. If the school district cannot confirm your student's homeless, migrant, or runaway status, then the school district will contact you to complete and income-based application. You may choose to provide income information now in order to prevent the school district from potentially needing to contact you later.

If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals:

- The Supplemental Nutrition Assistance Program (SNAP) • Temporary Assistance for Needy Families (TANF) • The Food Distribution Program on Indian Reservations (FDPIR)
- If no one in your household participates in any of the above
 - Write a case number for SNAP, TANF, or FDIPIR. You only need to provide one case number. If you participate in one of these programs and do not know your case number, contact: State number 1-855-373-4636 -Pike County Family Division, 573-324-2243.
 - Go to STEP 4.
- Check "No" in STEP 2 and go to STEP 3.

STEP 3: LIST ALL HOUSEHOLD MEMBERS AND INCOME FOR EACH MEMBER

How do I report my income?

- Use the lists titled "Sources of Income for Adults" & "Sources of Income for Children," printed on the back side of the application form to determine if your household has income to report.
 - Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents.
 - o Gross income is the total income received before taxes and deductions.
 - o Many people think of income as the amount they "take home" and not the total, "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.
- Write a "0" in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write '0' or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials suspect that your household income was reported incorrectly, your application will be investigated.
- Mark how often each type of income is received using the check boxes to the right of each field.

3.A. This is usually the money received from working at jobs. This is calculated by subtracting the total operating expenses of your business from its gross receipts or revenue.	3) List income from public assistance/child support/alimony. List all income that applies in the "Public Assistance/Child Support/Alimony" field on the application. <u>Do not report the cash value of any public assistance benefits NOT listed on the chart.</u> If income is received from child support or alimony, only report court-ordered payments. Informal but regular payments should be reported as "other" income in the next part.	
4) List income from pensions/retirement/all other income. List all income that applies in the "Pensions/Retirement/ All Other Income" field on the application.	5) List total household size. REQUEST FOR INFORMATION

(Complete one form per family)

Please answer the question below by checking the appropriate box. The following information is a request adopted by the General Assembly in 2010 requiring school districts to determine whether or not all children in a family have health insurance.

Does each child in your family have healthcare insurance?

☐ YES

☐ NO

MO HealthNet (Medicaid) is considered healthcare insurance.

If NO is checked the school district will provide the Does Your Child Need Healthcare Coverage form for the family.

Completion of this form is not a condition of determining meal eligibility. The Free and Reduced Price Meals Family Application will be reviewed regardless of your response to this Request for Information.

Submit this request with your Free and Reduced Price School Meals Family Application or return to your school/school district.
